SCOOTER STORAGE

STRUGGLING WITH A MOBILITY SCOOTER STORAGE PROBLEM? WE HAVE THE 21ST CENTURY SOLUTIONS

Many sheltered housing schemes were built over 30 years ago where there was no design consideration for future mobility scooter users.

As such this is now causing fire hazards for many Social Housing providers. Affresol have now solved this problem, we now the UK's leading manufacturer of bespoke Mobility Scooter Storage being specified by many organisations across the UK.

Manufactured using a synthetic concrete product (TPR®) developed from mixed plastic waste diverted from landfill. TPR® is stronger, yet lighter and more environmentally friendly than concrete.
