NHMF Service Provider Forum: Meeting Agenda

Time	Session	Speaker(s)
14:00-14:15 (15 mins)	Networking and refreshments	
14:15-14:20 (5 mins)	Welcome	Melissa Woodall - Wates
14:20 -15:20 (60 mins)	1. Decarbonising the Future: Transitioning to Wave 3 During this 1 hour session, we'll be exploring key developments and strategies as we transition towards Wave 3 of our decarbonisation efforts. The areas we'll be focusing on include: <ul style="list-style-type: none"> • Reflections on Wave 2: What we've learned, and the successes and challenges we've faced in the previous phase. • Anticipations for Wave 3: What to expect in the upcoming phase, and the key milestones to look forward to. • Innovative Approaches: What your organisation is doing differently this time around to drive further progress and enhance impact. • Exploring New Funding Opportunities: Understanding alternative funding methods, including the potential of ECO4, and how they can support the decarbonisation journey. This session will aim to share insights, discuss challenges, and highlight opportunities for collaboration as we work towards a more sustainable future.	Jesse Meek – UCEM Patrick Flynn - Network Homes Stephen Gapick - Soltherm Joshua Williams - Wates
15:20-15:50 (30 mins)	BREAK	

15:50-16:50 (60 mins)	2. Social Value & Sustainability to ESG This session will aim to share insights, best (and worst!) practice, discuss challenges, and highlight opportunities for collaboration on social value/ESG from procurement through to long term contracts. It will include a Q&A for the panel, which comprises a broad mix of viewpoints. <ul style="list-style-type: none">• Introduction to HACT and Social value – a changing landscape – what do service providers need to know?• Social value – a client’s perspective – pitfalls etc – what works well? Best practice (and worst practice) – what do communities want?• Global standard science based targets and case study. Starting with ES and move to ESG – linking into procurement act• Panel Q&A - from all speakers	Kelly Thomas – MTVH Neel Bidessie – Langley Nitesh – Net Zero Positive Matthew Grenier – HACT
16:50-17:00 (10 mins)	<ul style="list-style-type: none">• NHMF Study Tour 10 point update• AOB & diary dates• Thursday 17 July 2025 10:00-12:00 Online• Thursday 2 Oct 2025 14:00-17:00 London• (19)20-21 Jan 2026 NHMF Maintenance Conference	Melissa Woodall - Wates David Miller – Frameworx Director & SPF Committee Member
