- Food production
- Energy production
- Oxygen production
- CO₂ reduction
- Hydrology control
- Climate regulation
- Erosion control
- Wind break
- Nutrient recycling
- No waste
- ...and a lot more!

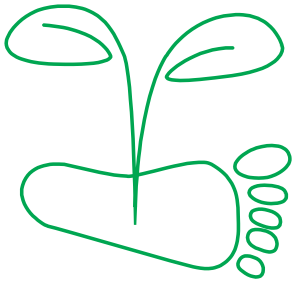

- Living space
- Meeting space

- Living space
- Meeting space
- Water transport
- Inner climate control

- Waste production
- Energy consumption
- CO₂ emission

Think like nature:
Big
Long term
Interconnected
For everyone
